EXPO REAL 2014: Redevco to receive 31 BREEAM Certificates and two IPD Awards

Retail real estate specialist Redevco will be presented with two IPD Awards and 31 BREEAM certificates at this year's EXPO REAL in Munich/Germany, the BREEAM rating for the ALEA 101 development project in Berlin being "Excellent". By now over 100 properties managed by Redevco have been evaluated by BREEAM, the world's leading design and assessment method for sustainable buildings. Redevco aims at obtaining BREEAM certificates for the full portfolio by the end of 2016.

Redevco is one of Europe's largest real estate investors in high street properties. With more than 450 assets under management in Europe's strongest retail locations, Redevco currently partners with more than 1,000 retailers. It is Redevco's mission and key strategic objective to be the real estate partner of choice for retailers and to continually increase quality, value and sustainability of the portfolio.

More than 100 BREEAM-certified properties

Under the heading „Towards a green portfolio“ Redevco is dedicated to reflecting its responsibility for the environment in the way the company manages its real estate projects and properties throughout their life cycles. This is an integral part of Redevco's Corporate Responsibility strategy. Therefore measures undertaken to achieve portfolio optimisation include modernisation and energy-efficient refurbishment of properties. "In this context not only new developments but also the complete existing portfolio are currently assessed according to BREEAM guidelines", explains Andrew Vaughan, CEO of Redevco.

At EXPO REAL 2014 the retail real estate expert will receive a total of 31 BREEAM certificates for the recently completed ALEA 101 development on Alexanderplatz in Berlin, which was excellently rated "Excellent", as well as for 30 properties in Belgium predominantly rated „Good“ against the BREEAM In-Use guidelines. "By now over 100 properties managed by Redevco have been certified. It is our ambition to have the full portfolio BREEAM certified by the end of 2016", says Vaughan.
