Redevco centralises management of the Austrian, Swiss and Central European activities in Zurich

In line with its strategy to focus on core markets in Europe, Redevco has decided to put more emphasis on its Swiss and Austrian activities in the Central Eastern Europe region. Effective April 2013, Redevco will therefore concentrate the management of its Central European operations in Switzerland.

As a result of this decision, the activities of the Vienna office will be relocated to the office in Zurich. The move will enable Redevco to strengthen its position in both Switzerland and Austria, where Redevco will remain active.

The announcement coincides with the appointment of Lucien Smits as Financial Director of Redevco Central Europe and Switzerland as of 15 May 2013. Lucien Smits (37) has been with Redevco since September 2005, holding several positions at different local offices. He is currently working as Finance Manager at Redevco Belgium. Redevco is very pleased that he has agreed to head the financial operations of Redevco in Central Europe and Switzerland.

Earlier this year, Redevco appointed Dirk Adriaenssen Managing Director of Redevco Central Europe and Switzerland. He too will start his new role on 15 May 2013. Until then, the current team, led by Adam Starr, will continue to manage Redevco Central Europe and Switzerland.
